## **Coesia to acquire digital printing business of Atlantic Zeiser**

Coesia S.p.A. today announced that on May 16<sup>th</sup>, 2018 it has entered into an agreement with Orell Füssli for the acquisition of Atlantic Zeiser's digital printing business, focused on in-line digital printing for pharma, packaging and credit card personalization systems, as well as the majority shareholding stake of Tritron, producing special inks for digital industrial printing.

The closing of the acquisition will be subject to customary pre-closing conditions.

This acquisition represents a pivotal step for Coesia in consolidating its presence in digital printing solutions, focused both on in-line and near-line printing. Through the cooperation between Hapa, a Coesia company, established leader in digital printing systems for Pharma, and Atlantic Zeiser, also active in FMCG digital printing applications, Coesia aims at the creation of a dedicated and innovative digital printing platform which will strengthen its position within the fast-growing market for product customization.
